

COOKING WITH A CELEBRITY CHEF

Josh Rosset and Sonia Presotto of HOMES Publishing Group had the opportunity to participate in the Iron Chef event hosted by Denise Turner of Fisher & Paykel in June.

The event was held in their showroom at the Source of Furniture + Accessories (SOFA) in Mississauga.

Chef Christopher Woods of Christopher Woods Catering offered his culinary tips and guidance to a group of nine home cooks working in the renovation and decor industry.

BARRIE'S LARGEST BUILDER WELCOMES YOU TO THE FAMILY

Pratt Homes

WELCOME TO THE FAMILY

SINCE 1890

Pratt Homes, Barrie's largest builder since 1890, partnered with Tyger Shark to evolve their brand identity and create a new image "Recreating a brand that has over 100 years of history is something few artists ever get a chance to be a part of," said Tyler Murray of Tyger Shark.

"We're a business built on a family legacy in homebuilding and we're proud of that," said Karen Pratt-Hansen. "Our purchasers, homeowners and employees are all members of our Pratt Homes family. This is a new way to tell that story and share that feeling."

HEATHWOOD WINS H.O.M.E. AWARD

Heathwood Homes recently received "Best Customer Experience" in Ontario at the 7th CustomerInsight Homeowner Mark of Excellence (H.O.M.E.) awards. The Best Customer Experience Award is based on one-month and 13-month post-possession reviews by homeowners, which is a true testament to how the nominees treat their purchasers. Heathwood Homes has long been one of the most respected builders in Ontario and has earned the public's trust.

Heathwood's tagline – "Home at Last" – sums up the company's customer service-driven commitment.

Heathwood operates on the basis that service begins the moment potential purchasers enter the sales offices and continues to long after move-in. The website HomeAtLast.com is a comprehensive, easy-to-use resource for Heathwood owners, with descriptions of the homebuying process every step of the way. Visitors to the website can find out about construction, a checklist and moving tips, maintenance, warranty information, emergency numbers, useful forms and even information on the Mikey Network, the charity Heathwood and The Heron Group founded in 2003 to place public-access defibrillators called Mikeys in public places.
