THE HERON GROUP IS NOW HERITY

The Heron Group of Companies, which includes such well-known brands as **Heathwood Homes** and **Heron Homes**, is pleased to announce a rebranding of all of its partner companies under its corporate banner of **Herity**, one of Canada's most respected and diversified corporate entities.

"We are pleased to embrace our heritage and unify all of our companies under our corporate brand name of Herity," said **Hugh Heron** on behalf of the Herity partners.

"We are celebrating the upcoming 40th anniversary of our original formation in 1977, and over the years we have grown and evolved, thanks to our hardworking, dedicated team."

Now, under the overall Herity banner, its development operations includes Heathwood and Heron Homes, **HRG Realty**, **The Equity Development Group** as well as its U.S. companies, **Heron Stone** and **Heron Student Housing**.

Herity also consists of various franchise operations under its **Heron Capital** brand, such as the highly successful **Two Men and a Truck Canada** moving company as well as **The Mikey Network**, the corporate charity that places Mikey defibrillators in public areas.
