**FOR THE FIRST TIME** in more than 10 years, a brand new master-planned community is coming soon to Whitby! Now is the time to register for the first phase of the much-anticipated Country Lane – an outstanding residential opportunity at Taunton Road and Country Lane. Offering both country living and urban convenience, the community is located just one km west of the new Hwy. 407 connection and only moments to Hwy. 12.

Country Lane is situated in Whitby's most developing areas, east of Lake Ridge Road/Hwy. 23 and west of Cochrane Street, adjacent to the beautiful Heber Down Conservation Area. This stunning natural amenity offers fishing, picnicking and nature

walks enhanced by scenic views of the Lynde Creek Valley.

During the past decade, the award-winning Town of Whitby has evolved with an influx of vibrant new shops and services, while maintaining the heritage flair of its historic downtown. The new Whitby has been ranked in the top 10 Best Places to Live in Canada. Local amenities include community centres, schools, parks, shopping, golf, entertainment venues, eclectic restaurants and a beautiful section of the Waterfront Trail.

Within this exciting context, Country Lane will feature distinctive entry gates for a true sense of place, as well as walking trails that lead to the pathways in the Conservation Area.
